

SISPAC School Directory Form 2010-2011

June 14, 2010

SISPAC annually publishes a directory containing addresses and contact information of students and their parents/guardians, so they can contact classmates and other parents/guardians after hours and on weekends. For ease of locating families in the directory, an index of class lists will be included.

The standard listings include family and student names, mailing addresses and phone numbers. You may also provide mobile phone numbers and e-mail addresses if you wish. Please note that *information you provide will not be shared in any other form or be posted anywhere in electronic format.*

All parents/guardians are asked to complete and sign this form, including those who DO NOT wish to have any information appear in the directory.

Please complete this form and have your youngest St. Ignatius student return it to his or her teacher no later than **Thursday, June 24.**
